THE ISLAND SPA

The Island Spa, a recent addition to Lusty Beg, offers the ultimate retreat. We have taken inspiration from the surrounding natural beauty and use only organic and wholesome products to bring harmony to your spa experience. And, of course, all is enjoyed from our unparalleled location.

We exclusively use VOYA products, an organic certified range based on hand harvested seaweed from County Sligo, just 45 minutes away from Lusty Beg. As nature's most powerful anti-oxidant from the marine world, seaweed fights against harmful environmental aggressors and slows down the signs of aging. It is also known for its properties that strengthen the immune system and help with prevention of acute illnesses. Seaweed-based treatments can deeply detoxify, hydrate and nourish the skin, hair and body.

We are open every day between 9am and 8pm. Our residents may use the swimming pool facilities between 9am and 11am and 6pm and 8pm. Between 11am and 6pm, only spa customers may use the facility. Booking is advised.

The Island Spa boasts spa gardens, an outdoor hot-tub, steam room, sauna and relaxation room. You can choose from a range of treatments to revitalise, and relax from facials, massages, baths, scrubs, manicures and pedicures.

And, for that special occasion, we have a Hair and Beauty Studio within the Spa. Our expert beauty therapists can ensure that you look your very best for whatever the event!
