Why Lusty Beg?

Why Lusty Beg?

Lusty Beg's unique layout allows us to offer you a truly exclusive wedding experience. It has been our policy for 20 years to ensure we are only facilitating one wedding per day. We are passionate about this and allows you to create a unique event.

We have simplified our pricing structure to support you in creating a bespoke wedding day that meets both your expectations and your budget.

The rustic Willow Suite accommodating up to 200 guests, features its own entrance, private bar and exclusive outdoor patio area with charming views overlooking Lower Lough Erne. It offers the perfect space to host your wedding celebrations and offers a simple, ideal backdrop that will allow you to decorate the room to suit your own personal tastes and preferences! If you wish to have your ceremony on the island, there is a fee of £350.

Exchanging your vows is a precious moment, and you can also use Lusty Beg Island as your special venue to host such an occasion, as we are licensed to hold both indoor and outdoor ceremonies. The Civil Ceremony can be performed by a council registrar or anyone who has been ordained to carry out a service.

We cater to both those who wish to have a ceremony on the Island, and those who are just here to celebrate!

For those who wish to carry their party into day two, "The Thatch" offers the perfect location to host a post wedding BBQ – a modern and relaxed way to continue the celebration of your big day!
